MOVERS AND SHAKERS

We always say one of the best sites downtown is a big old dumpster in front of a building in renovation! More exciting changes:

The Medicine Shoppe/Chatter Pediatric Therapy—703 1st Ave S

With Chatter moving into the former Siefken Chiropractic space, Matt Perkins decided it was time for a face lift. Plans include new signage, updating the landscaping and new brickwork on the building façade. As a long time JDA member, Matt was able to take advantage of the signage grant to help offset the cost. Its still a work in progress, but here are some before and during photos.

Center Counseling—312 2nd Ave SW

Last month we previewed this brand new business to our community. Nick Bruns and his partners have completed the renovations and the Jamestown Area Chamber of Commerce has officially welcomed them. They are also the newest members of the Jamestown Downtown Association. Here are some photos of their beautiful new space, another great improvement and addition to downtown.

The Art Center— 121 2nd Ave SW Raising the Bar Progress

LOTS of activity on this corner and we love the steady Progress. The new roof is on and fresh concrete poured. Keep watching as this space takes on a new life! If you'd like to dig further into the wonderfully creative plans for this space visit jamestownarts.com
