

Downtown Flower Contributions Needed

The snow WILL go away! And our beautiful flower pots WILL come out and brighten up 1st Avenue. The flowers have been ordered and the seedlings are growing right now. We receive many compliments on the flowers every year and have ordered more for this year, locally again from commercial grower, Harmsen's Greenhouse in LaMoure.

This project is entirely funded by donations from our wonderful business sponsors and individuals. Plants, material, and watering expenses typically run over \$6000 per season. We are also again raising funds to offset the expense of 6 new self-watering planters at \$250 each that help curb water consumption.

Can you help? Your contribution helps us to beautify Jamestown and welcome visitors.

If you have any questions, please contact Lynn at 701-320-7217 or Nancy at 269-3148.
