

# Downtown Flower Contributions Needed

With the rising temps come visions of spring. And that means our beautiful, colorful flowers that adorn our main street. We receive many compliments on the flowers every year and have made plans for more of the same, ordering locally again from commercial grower, Harmsen's Greenhouse in LaMoure.

This project is entirely funded by donations from our wonderful business sponsors and individuals. Plants, material, and watering expenses typically run over \$6000 per season. We are also again raising funds to offset the expense of the self-watering planters at \$200 each to help with future expenses and to curb water consumption.

Can you help? Your contribution helps us to beautify Jamestown and welcome visitors.

If you have any questions, please contact Lynn at 701-320-7217 or Nancy at 269-3148.
